Unauthorised Online Sales

It came across the company's awareness that there are some BRAVOBIZ members selling BC 100 Body Cream on online marketplace such as LAZADA and SHOPPEE at different prices as compared to what was set by BRAVOBIZ (hereby referred as "The company").

The company would like to advise the members who are carrying out sales of BC 100 Body Cream products via any mode of online platforms to amend the price to the set price of MYR 180 per bottle OR alternatively remove the online advertisement or profile related to the product immediately.

Failure of members to do so leads to the risks of TERMINATION of MEMBERSHIP and the company holds the full right to proceed with LEGAL ACTION against such unauthorized online sales.

Last but not least, the company will not be responsible and liable for any inferior products quality bought via any online platforms prior to and after this notice.

Thank you.
